

Invest in what matters!

A Long History Of Caring

Since 1965, children of need and those in crisis have found refuge and safety at Christian City. With God's help and supporting friends, we have been able to provide a loving and secure environment in family structured homes. We assist our children in their spiritual growth and lead them to recognize God's plan for their future.

In Search Of A Home

Children are placed at the Children's Village at Christian City for many reasons. Some of our children have suffered physical and sexual abuse. Some come to us from an environment of neglect, often burdened with

extremely poor financial situations. Some children stay for a short time period while others spend their entire childhood years at The Children's Village. All of our children are loved and cared for by Christian house parents who make them feel safe, secure, and loved unconditionally.

They Need You As a Sponsor

Your participation in and financial support of the Child Sponsorship Program helps provide a safe haven, food, clothes, a solid education, medical/dental care, emotional support, and the daily guidance of loving Christian house parents. For as little as a dollar a day—\$30 a month—you can help make an impact in a child's life. Will you invest in what matters?
